CHARACTERISTICS OF GEM

GEM has been positioned as a market designed to accommodate companies to which a higher investment risk may be attached than other companies listed on the Stock Exchange. Prospective investors should be aware of the potential risks of investing in such companies and should make the decision to invest only after due and careful consideration. The greater risk profile and other characteristics of GEM mean that it is a market more suited to professional and other sophisticated investors.

Given the emerging nature of companies listed on GEM, there is a risk that securities traded on GEM may be more susceptible to high market volatility than securities traded on the Main Board and no assurance is given that there will be a liquid market in the securities traded on GEM.

GEM LISTING RULES REQUIREMENT

According to rule 17.47(4) of the GEM Listing Rules, any vote of shareholders at a general meeting must be taken by poll except where the chairman, in good faith, decides to allow a resolution which relates purely to a procedural or administrative matter to be voted on by a show of hands. Therefore, all the resolutions put to the vote at the AGM will be taken by way of poll and the Company will announce the results of the poll in the manner prescribed under rule 17.47(5) of the GEM Listing Rules.

RESPONSIBILITY STATEMENTS

This circular, for which the Directors collectively and individually accept full responsibility, includes particulars given in compliance with the GEM Listing Rules for the purpose of giving information with regard to the Company. The Directors, having made all reasonable enquiries, confirm that, to the best of their knowledge and belief the information contained in this circular is accurate and complete in all material aspects and not misleading or deceptive, and there are no other matters the omission of which would make any statement herein or this circular misleading.

RECOMMENDATION

The Directors believe that the granting of the Repurchase Mandate and the Issue Mandate, the extension of the Issue Mandate and the re-election of retiring Directors are in the best interests of the Company and the Shareholders as a whole and recommend the Shareholders to vote in favour of the relevant resolutions as set out in the notice of the AGM on pages 17 to 21 of this circular.

Yours faithfully
For and on behalf of the Board of
K W Nelson Interior Architect Group Limited
Lau King Wai
Chairman and chief executive officer

This Appendix serves as an explanatory statement, as required by the GEM Listing Rules, to provide the requisite information to you for your consideration of the Repurchase Mandate.

1. REPURCHASE OF SECURITIES FROM CONNECTED PARTIES

The GEM Listing Rules prohibit a company from knowingly purchasing securities on the Stock Exchange from a “core connected person”, that is, a director, chief executive or substantial shareholder of the Company or any of its subsidiaries or their respective close associates and a core connected person is prohibited from knowingly selling his/her/its securities to the Company.

No core connected person of the Company has notified the Company that he/she/it has a present intention to sell any Shares to the Company nor has any such core connected person undertaken not to sell any of the Shares held by him/her/it to the Company in the event that the Repurchase Mandate is approved by the Shareholders.

2. SHARE CAPITAL

As at the Latest Practicable Date, the issued share capital of the Company comprised 1,000,000,000 fully paid Shares.

Subject to the passing of the ordinary resolution for the approval of the Repurchase Mandate and on the basis that no further Shares are issued or repurchased after the Latest Practicable Date and up to the date of passing of such resolution, the Directors would be authorised to repurchase up to a maximum of 100,000,000 Shares, representing 10% of the issued Shares as at the Latest Practicable Date, during the period ending on the earliest of (i) the date of the next annual general meeting of the Company, (ii) the date by which the next annual general meeting of the Company is required to be held by the Articles of Association or any applicable laws of the Cayman Islands, or (iii) the date upon which such authority is revoked or varied by an ordinary resolution of the Shareholders in a general meeting of the Company.

3. REASONS FOR THE REPURCHASE

The Directors have no present intention to repurchase any Shares but consider that the Repurchase Mandate is in the best interests of the Company and the Shareholders as a whole. An exercise of the Repurchase Mandate may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net assets per Share and/or earnings per Share and will only be made when the Directors believe that a repurchase will benefit the Company and the Shareholders as a whole.

4. FUNDING OF REPURCHASES

Pursuant to the Repurchase Mandate, repurchases would be funded entirely from the Company’s funds legally available under the Cayman Islands law and the memorandum and articles of association of the Company and the GEM Listing Rules for such purpose.

5. IMPACT ON WORKING CAPITAL OR GEARING LEVEL

An exercise of the Repurchase Mandate in full could have a material adverse impact on the working capital and gearing position of the Company compared with that as at 31 December 2016, being the date of its latest published audited consolidated financial statements. The Directors do not, however, intend to make any repurchase in circumstances that would have a material adverse impact on the working capital or gearing position of the Company.

6. SHARE PRICES

The highest and lowest prices at which the Shares had been traded on the Stock Exchange since the Listing Date and up to the Latest Practicable Date were as follows:

	Price per Share	
	Highest HK\$	Lowest HK\$
2016		
December (<i>Since 8 December 2016, being the Listing Date</i>)	8.700	3.200
2017		
January	6.320	0.178
February	0.232	0.181
March (<i>up to and including the Latest Practicable Date</i>)	0.197	0.182

7. DIRECTORS AND THEIR ASSOCIATES

None of the Directors or, to the best of their knowledge having made all reasonable enquiries, their close associates, have any present intention to sell to the Company or its subsidiaries any of the Shares in the Company if the Repurchase Mandate is approved at the AGM.

8. UNDERTAKING OF THE DIRECTORS

The Directors have undertaken to the Stock Exchange that, so far as the same may be applicable, they will exercise the powers of the Company to make repurchases pursuant to the Repurchase Mandate in accordance with the GEM Listing Rules and applicable laws of the Cayman Islands, and in accordance with the regulations set out in the memorandum and articles of association of the Company.

9. EFFECT OF TAKEOVERS CODE

If a Shareholder's proportionate interest in the voting rights of the Company increases on the Company exercising its powers to repurchase Shares pursuant to the Repurchase Mandate, such an increase will be treated as an acquisition for the purpose of the Takeovers Code. As a result, a Shareholder or a group of Shareholders acting in concert could obtain or consolidate

control of the Company and become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code. The Directors are not aware of any Shareholders, or a group of Shareholders acting in concert, who may become obliged to make a mandatory offer in accordance with Rules 26 and 32 of the Takeovers Code in the event that the Directors exercise the power to repurchase Shares pursuant to the Repurchase Mandate.

As at the Latest Practicable Date, based on disclosures made under Part XV of the SFO and to the best of the knowledge and belief of the Company, information on the substantial Shareholders was as follows:

Substantial shareholders	Number of Shares held	Approximate percentage of existing shareholding	Approximate percentage of shareholding if Repurchase Mandate is exercised in full
Sino Emperor Group Limited (<i>Note 1</i>)	750,000,000	75%	83.33%
Mr. Lau King Wai	750,000,000	75%	83.33%
Ms. Chan Pui Shan, Jessica (<i>Note 2</i>)	750,000,000	75%	83.33%

Note:

1. Sino Emperor Group Limited (“Sino Emperor”) is a company incorporated in the British Virgin Islands. The entire issued share capital of Sino Emperor is 100% beneficially owned by Mr. Lau King Wai. By virtue of the SFO, Mr. Lau is deemed to have interest of Shares held by Sino Emperor.
2. 750,000,000 Shares are held by Sino Emperor, which is a company controlled by Mr. Lau King Wai. By virtue of the SFO, Ms. Chan Pui Shan, Jessica, who is the spouse of Mr. Lau King Wai, is taken to be interested in these Shares.

In the event that the Directors exercise the proposed Repurchase Mandate in full, the increase in above shareholdings in the Company would not give rise to an obligation to make a mandatory offer under the Takeovers Code.

The Directors have no present intention to exercise the Repurchase Mandate to such extent as to result in takeover obligation or the public holding of Shares would be reduced below 25% of the issued share capital of the Company.

10. SHARES REPURCHASE MADE BY THE COMPANY

No repurchases of Shares have been made by the Company (whether on the Stock Exchange or otherwise) since the Listing Date up to the Latest Practicable Date.
